**Optional Excursion to New Orleans August 13, 2023**

This optional excursion provides the best “The Big Easy” has to offer. This day long Hop-On Hop-Off tour bus excursion includes all of New Orleans’ most important highlights and landmarks. Pick a seat on the open-top or bottom deck of the Hop On-Hop Off bus and listen to your guide’s commentary as you ride through the city.

Visit the attractions or enjoy a few loops on the bus. Round-trip loops are approximately 90 minutes. Hop-On Hop-Off busses arrive at each scheduled tour-stop every 30 minutes. The tour-stops include major attractions including the National WWII Museum, The Aquarium of the Americas, Jackson Square, the French Market, and many of the best restaurants and bars in the city.

“Come hungry, leave happy” during the excursion. Hundreds of restaurants will be participating in Coolinary Month in August. Discounted food and cocktails will be announced in June. Plans for breakfast group dining will be made soon.
