2022 PURPLE HEART SCHOLARSHIP APPLICATION PACKAGE

GENERAL INFORMATION

The Purple Heart is a non-profit membership organization that is not affiliated with any military service branch. Approved membership is voluntary and not automatic upon receipt of the Purple Heart.

The Purple Heart Scholarship Program is a competitive program that awards scholarships to Purple Heart recipients and their spouses, children, and grandchildren each year. At least one applicant with military service will be awarded the Navy SEAL Lt. Michael Murphy Memorial Award.

This application package includes information pertaining to the Purple Heart Scholarship Program, eligibility and application requirements, and a Scholarship Application Form.

The Purple Heart Scholarship Committee will evaluate all applications that are timely received and meet the eligibility and application requirements described below. All aspects of the application (academic achievement, extracurricular activities, community and military service, work experience, letters of recommendation, and essay) are considered and evaluated by the Purple Heart Scholarship Committee. The Purple Heart Scholarship Committee shall make all decisions regarding the eligibility for a Scholarship and the award of a Scholarship and, all decisions by the Purple Heart Scholarship Committee are final.

Not every applicant will receive a scholarship. This is not a full tuition scholarship. The amount of the scholarship may vary each year subject to funding levels.

Purple Heart Scholarship checks are *required* to be endorsed by both the student and the school. The college or university, therefore, may exercise some control over how the funds are utilized and this can impact the level of financial benefit realized by the student.

Each college and university has its own policy regarding how outside scholarships are processed. It is up to the applicant to understand this policy at his or her university or college and, be aware that in certain circumstances a Purple Heart scholarship may be used by the school to reimburse another provider of financial assistance like the VA for applicants using a GI Bill, therefore eliminating any added financial benefit to the student. Please visit the GI Bill website: www.gibill.va.gov for more information. In such a case, we request that the Purple Heart scholarship be returned so that it can be awarded to one of the applicants designated as an Alternate by the Scholarship Committee.

ELIGIBILITY

To be eligible to apply for a Purple Heart Scholarship, applicants need to be a member of one of the following categories:

- A Purple Heart recipient who is a Member of the MOPH, *or*
- The spouse of a Purple Heart recipient who is a member of MOPH, *or*
- The direct lineal descendant (child, step-child, adopted child, grandchild, step-grandchild, or great grandchild) of a Purple Heart recipient who is a Member of MOPH, *or*
- The spouse, widow/widower, or direct lineal descendant as defined above of a service member killed-in-action or who died of wounds. If the Purple Heart recipient is listed as killed-in-action or died of wounds, supporting documentation and evidence must be included with the application.

A Purple Heart recipient who is not a member of the MOPH can become a member by applying online through the MOPH website: www.PurpleHeart.org. To be eligible to apply for the scholarship, the Purple Heart recipient must be a current member, a member at the time of his or her death, or documented as killed-in-action or has having died of wounds. If you do not know whether your lineal descendent was a member of MOPH before his or her passing, please contact MOPH Headquarters for assistance at (888) 668-1656 or (703) 642-5360 and ask for MOPH Membership.

A MOPH Associate membership or membership in the MOPH Auxiliary *does not* by itself convey scholarship eligibility. It is highly recommended that non-Purple Heart recipients become either Associate members or members of the Auxiliary, as such membership does convey additional credit in the application process.

In order to be eligible to receive a Purple Heart MOPH Scholarship, applicants must meet the following three requirements:

1. A graduate or upcoming graduate (current senior) of a high school or GED program, *and*
2. Accepted by or enrolled as a **FULL-TIME** student at an accredited U.S. college, university, or trade school at the time the scholarship is awarded, *and*
3. Able to demonstrate the capacity for advanced academic achievement or technical proficiency as demonstrated by maintaining at least a 2.75 cumulative Grade Point Average (GPA) based on an un-weighted 4.0 grading system.

Persons attending or having completed an Associate degree from an accredited Community or City College and transferring to an accredited college or university undergraduate baccalaureate program are eligible to apply. A full-time student means carrying 12 or more credit hours per semester, or 18-quarter credit hours, or as determined by the school.

An applicant may receive a maximum of two scholarships awarded in non-consecutive years. Scholarship funds can be used for tuition, books, incidental fees, room and board, and other direct costs associated with higher education. Purple Heart scholarship funds cannot be used for transportation expenses, summer school, to pay pre-existing educational loans, or to pay for a special program/research project.

APPLICATION REQUIREMENTS

To apply, applicants need to complete and submit the following materials:

1. Purple Heart Scholarship Application Form, *and*

Letters of recommendation may be written by any individual who can attest to the character and potential of the applicant, such as a teacher, coach, religious leader, work supervisor, MOPH Chapter Commander, etc. Family members should be avoided.

After an application is submitted, the only information that can be changed is the name of the college, university, or trade school that the applicant plans to attend.

Navy SEAL Lt. Michael P. Murphy Memorial Award

Lieutenant Michael Murphy was a United States Navy SEAL officer who was killed in combat on June 28, 2005 in Afghanistan. Lt. Murphy was killed trying to protect the men that he led by knowingly leaving his position of cover while surrounded by enemy fire in order to get a clear signal to communicate with his headquarters to request immediate support for his team. He provided his unit’s location, requested immediate support, and then continued to fight until he died from his wounds. For his heroic actions, he was posthumously awarded the Medal of Honor. Lt. Murphy was the first member of the U.S. Navy to receive the Medal of Honor since the Vietnam War.

For applicants with military service who are interested in being considered for the **Navy SEAL Lt. Michael P. Murphy Memorial Award**, please submit a copy of your DD-214, copies of all awards and decorations and any accompanying citations, in addition to the application requirements listed above on pages 3-4.
